

## ***Rooming Assignments***

To allow for a smooth transition to your cabins when you arrive at Tikchik, we would like to inquire how you wish to be roomed. Parties of two and three will automatically be roomed together.

For parties of four or more, it is very helpful to know ahead of time how you would like to pair up for rooming. Please e-mail us your request, or mail us this form. Our e-mail address is [info@tikchik.com](mailto:info@tikchik.com). Please note the subject line with Rooming Request (your name).

We have a very limited number of single rooms. There will be a single supplement fee of \$300 per person, based on space available. Call or e-mail us with inquiries about availability.
