

Wader Information

Tikchik Narrows Lodge has Orvis waders and boots available for our Anglers. Please let us know your sizing for both the waders (size chart on back, ladies' sizing is on the top, men's sizing is at the bottom of the page) and for your boots (your shoe size, please go up one size for half sizes).

If you are interested in using either (or both) the Orvis Waders or the Orvis Boots that are at the lodge, please fill out the following information and your waders/boots will be in your cabin when you arrive at the lodge. We have provided a size chart for Men and Women on the back of this page for your reference on the Waders.

If you are unsure of your sizing, we would suggest going to your local Orvis Dealer and trying on a wader and boot to be sure. Your local Orvis Dealer is also a great place to get gear for your upcoming trip!
